Monroe County Department of Public Health COVID-19 Update *4 p.m. Wednesday, April 8, 2020*

Monroe County COVID-19 Dashboard

Our new web-based dashboard is available here:

dashboard.monroecounty.gov

Monroe County will update the dashboard at approximately 4 p.m. daily.

We have updated the Monroe County COVID-19 Dashboard to include additional graphs and figures. The graphs now include Cumulative Confirmed Cases by Date Tested, and Total Number of Confirmed Monroe County Cases Hospitalized and the Total Number of Monroe County Residents Admitted to the ICU on a Ventilator. You can scroll through the graphs by clicking the left or right arrows below the graph section.

Hospitalized

Of the 627 confirmed cases, 86 people are hospitalized. 39 of the 86 patients are in the ICU.

Race/Ethnicity Breakdown

We are providing new race/ethnicity breakdowns for COVID-19 patients who have been hospitalized, in the ICU or deceased. We will continue to include additional statistics and data as it becomes less of an identifying factor of those impacted. This information will be regularly included in our Sunday updates, along with the additional age demographics of those who have died as a result of COVID-19.

HOSPITALIZED, NON-ICU	% OF TOTAL HOSPITALIZED
ASIAN	2.3%
